9.2.2. Both teams are required to pay the standard match fee.

9.3. In the event that a semi, preliminary or grand final is abandoned the higher ranked team will progress and/or be deemed the winner of the match (e.g. 1 v 2 match = 1 will progress).

Inappropriate behaviour is exempt from 9.3 as per the Centre's Code of Conduct. Centre Management has the right to use discretion if a team has displayed inappropriate behaviour and is the higher ranked team.

10. Late arrivals

10.1. If a team does not have five players ready to commence play at the scheduled starting time, the non-offending team shall be awarded one goal for every minute or part thereof until the commencement of play or period of five minutes has elapsed. If a team still does not have five players on court ready to commence play after a period of five minutes from the scheduled starting time, an un-notified forfeit will be declared (also refer COP 13).

10.2. The umpires, prior to the commencement of play, will record goals awarded for late arrivals on the score sheet.

10.3. Refer to the AANA Official Rule Book regarding when and where late arrivals can take the court. For clarification see the Umpire Coordinator or Receptionist.

11. Scorers

11.1. Each team shall provide a score sheet and a competent scorer by the end of the first quarter and remainder of the match. They are responsible for correctly filling out the score sheet including recording each goal, centre pass and substitutions.

11.2. Penalty for not providing a scorer by the end of the first quarter shall be five goals awarded to the opposition team. Once the five goals have been awarded, they cannot be revoked, even if a scorer becomes available (the five goals will be awarded at the first quarter time interval). If only one team can provide a scorer, the scorer is permitted to score for both teams.

11.3. Scorers and timekeepers shall sit together at all times.

11.4. If neither team has a scorer, a player from each team must leave the court to act as a scorer for the respective teams (both teams must still provide a score sheet).

Score sheets

11.5. The team contact is required to ensure that only the names of players present and ready to play in the match are written on the official score sheet.

The team contact of each team shall be responsible for handling his/her team's score sheet and players match fee to the Centre Receptionist after each match.

11.6. Both the player's Christian name and surname must be recorded on the score sheet. Incomplete or illegible names on score sheets may result in the player not being credited with playing that match.

11.7. Late arrival players who are ready to play will have their names included on the official match score sheet by the scorer. Late arrivals are required to be checked for correct uniform by the umpire prior to play.

11.8. All players whose names appear on the score sheet must pay the match fee (if applicable).

11.9. The penalty for incorrect or incomplete player details is an illegal player penalty (also refer COP 15).

11.10. Once signed by the Umpire, score sheets cannot be altered.

11.11. In ladies' daytime games the team contact of each team shall be responsible for handing his/her match fee satchel and score sheet to the Centre Receptionist after each match.

12. Forfeits

Any team forfeiting more than three times in a season may, at the Centre Management's discretion, be suspended from the competition.

All fines are payable at the team's next scheduled match. Any team neglecting to pay a fine within the stipulated time will have their premiership points withheld until the fine is paid. If fines are not paid after a second notice has been issued, the matter will be taken up with Council's debt collectors and the team may be withdrawn from the competition.

12.1. Notified, un-notified and no-show forfeit conditions:

- Forfeit notifications will be accepted from the team contact only
- The team contact may notify the Centre of a forfeit in person or via the centres phone or email.
- Any team which may find it necessary to forfeit shall notify staff by 5pm the day prior to the scheduled match. Forfeit notifications by 5pm the day prior to the scheduled match shall be classified as a notified forfeit and will attract a lower forfeit fine
- Games forfeited outside the criteria are considered an un-notified forfeit and an increased forfeit fine is payable
- Forfeit fines are payable at the teams next scheduled match, unless a payment plan is negotiated with Centre Management (also refer COP 16)
- The non-forfeiting team will be awarded a score of 20 points to nil and two premiership points
- In the case of a notified forfeit, the non-forfeiting team may lodge a score sheet within seven days of the time of the forfeited match in which case all players whose names appear on the score sheet will be credited with having played one match. Failure to do so will result in players not being credited with the game.

12.2. If a team does not have five players on the court ready to commence play and a scorer within five minutes of the scheduled starting time, the match shall be declared an un-notified forfeit and COP 10 will apply. The advertised forfeit fine is to be paid at the teams next scheduled match.

12.3. If both teams do not have five players and a scorer within 10 minutes of the scheduled starting time the match shall be declared an un-notified double forfeit. Both teams are to pay the advertised forfeit fine at their next scheduled match.

12.4. In the case of an un-notified forfeit both teams may mutually agree to play a scratch match. Whether a scratch match is played or not, the non-forfeiting team will be awarded a score of 20 goals to nil and two premiership points.

If a scratch match is played, normal match fees will apply to both teams, not an un-notified forfeit fee. If a scratch match is not played, the forfeiting team will be required to pay an un-notified forfeit fee.

12.5. Any team which forfeits more than twice in a season or fields only five players more than three times in a season may, at Management's discretion, be withdrawn from the competition.

12.6. Any ladies daytime team forfeiting mid match will be required to pay an un-notified forfeit fee.

12.7. In the case of a notified forfeit, the non-forfeiting team may lodge a score sheet within seven days of the date of the forfeited match in which case all players whose names appear on the score sheet will be credited with having played one match. Failure to do so will result in players not being credited with the game.

12.8. If the game is called off due to misconduct the forfeit fee applies as in COP 12.1.

12.9. Where a match is in progress and one team does not have five players ready to recommence play, after a period of five minutes the match shall be declared a forfeit. If less than one half of the game has been played the forfeiting team will be required to pay the normal match fee.

The non-forfeiting team will be awarded two premiership points and is not required to pay a match fee. Both teams will be awarded the goals actually scored up to the time of the forfeit (this also applies to games called off for misconduct).

If one half or more of the match has been played both teams are required to pay normal match fees (the match result will be recorded as in COP 9.2).

13. Drawn games

13.1. In minor round matches, a drawn game shall be considered a legal result.

13.2. In the event of a draw in any major round the teams shall, after a rest of two minutes, change ends and play two additional periods of five minutes each. After the completion of the first five minutes the team shall, with a one minute half time break, change ends and complete the second five minute period. No substitution shall be allowed at the change. In the event of injury/illness during the two additional periods of play, the injured/ill player may be replaced, and playing positions for both teams may be changed.

If the result is still a draw, teams will change ends and recommence play. The first team to gain a two goal lead will be declared the winner.

Centre Management reserves the right to ask players for identification

14.2. The penalty for playing illegal players is an automatic loss of that match or matches in which the offence occurred. The team fielding the illegal player will have their score reverted to 0. The opposition team score stands. In major round matches the penalty is automatic withdrawal from finals.

14.3. A player playing under an assumed name, or a coach playing a player under an assumed name will be reported for misconduct. The team shall lose all premiership points gained up until the time at which the offence was discovered.

14.4. If a complaint is lodged regarding a person playing under an assumed name or playing out of the correct age group, proof of age/identification shall be required.

15. Fines and fees

15.1. Any team neglecting to pay a fine or fees within the stipulated time will have their premiership points withheld until all fines/fees are paid.

15.2. Centre Management has the right to withdraw the nomination of any team from the competition if fines or fees remain outstanding.

15.3. Any member or team that has overdue fines or fees may be refused entry into a competition, until such fines/fees have been paid.

16. Team withdrawal

On being accepted into any competition, the team agrees to play all scheduled matches, including finals. A team withdrawing at any stage after acceptance into the competition or during the season will incur a withdrawal fee as set by the Centre, payable within 10 working days.

Teams have a choice when withdrawing from a competition:

- Play two matches and then incur no additional withdrawal fees following these two matches (forfeiture of either match will incur a forfeit fine)
- Pay two notified forfeit fines and be removed from the competition immediately.

Should your team be contemplating withdrawing from the competition, please contact the Recreation Support Officer of the respective competition to discuss the situation.

17. Umpires

17.1. The umpires shall have control of the game and make decisions in accordance with the Official Rules authorised by All Australia Netball Association (AANA) and the Centre's Conditions of Play.

18. Umpire training and grading

18.1. Matches in any competition may be used for the training and/or grading of umpires.

18.2. Umpires participating in the *Coloured Shirt Program* (indicated by wearing a green shirt) are not to be questioned by any coach, player or spectator. Refer any enquiries to the second match umpire or Umpire Coordinator. This program aims to support umpires at the beginning of their umpiring journey.

19. Team penalties

19.1. When a game is abandoned due to poor team conduct and the non-offending team is ahead, the score at the time of the stoppage shall stand. If the non-offending team is behind the game will be awarded in their favour and the score will be recorded as 20-0.

19.2. Umpires have the authority to forfeit a game if teams do not assist umpires to control their members. Umpires must identify the offending team and COP 12.1 will apply. If both teams are offending then both will be required to pay an un-notified forfeit fee.

19.3. A team whose players, whether they be an individual player, different players on each occasion or the team as a whole, continually breach conduct rules (also refer COP 22.1 and the Code of Conduct) may, at the discretion of Management, be withdrawn from the competition.

20. Clearances

20.1. A player must obtain a clearance in writing from the team contact of the team she/he last played with before transferring to another team within the same competition. The clearance must be lodged at Reception and agreed to by the Centre before the player commences playing in her/his new team. Clearances between seasons are not required. A clearance is only required once a player has played three matches in one team, from this point they may not play in another team in the same grade during the minor or major round matches. Centre Management will hear disputes on clearance upon request.

20.2. A player is entitled to only one clearance per season.

20.3. A player will not be granted a clearance whilst unfinancial to the team or while under suspension by a tribunal recognised by the Centre. Clearances may also be refused if the team she/he last played for is adversely affected, i.e. playing strength or team numbers. A player who transfers from one team to another must not have any fees or fines outstanding to the Centre.

20.4. A transfer of a player does not imply a transfer of registration. When transferring from one team to another, players are required to register for their new team and pay the required registration fees.

20.5. Centre management reserve the right to request a medical clearance when a player returns from injury (I.e. concussion)

21. Misconduct and penalties

21.2. Any member may be reported by any stadium official for any breach of the Code of Conduct or COP 22.1.

21.3. A player may be sent off by an umpire for a specified period of time then allowed to return to play at the discretion of the umpire after a goal is scored or at the next interval. In this case, no asterisk will be placed by the player's name and there is no further penalty.

This does not include byes, forfeits, no-game weeks or season breaks. Players will be advised in writing of their recommencement date.

In an extreme case, an umpire may send off a player without warning (i.e. any player striking, kicking, breaching the Code of Conduct or playing in a violent or dangerous manner). Any player sent off cannot be replaced at any time during the match.

21.6. When a centre player is sent off the court, the team shall move only one player to allow play to continue and that player shall continue to play as centre until the end of the send off period. At the end of this period both players must return to their original positions (as per Rule 20 AANA Rule Book).

21.7. To identify a player sent off for the remainder of the game, an asterisk shall be placed by the player's name on the score sheet by the umpire prior to the sheet being handed in to Reception. The Umpire must also complete an Asterisk Form explaining the details of the offence(s). The team contact or player shall be notified in writing.

21.8. If the umpire feels that the incident for which a player has been sent off requires a penalty other than a one-match suspension, the umpire may submit a written report to Centre Management. In which case the Centre Management may take action in accordance with COP 23 and the Code of Conduct.

21.9. Once a player has been sent off for the remainder of the game the offending player must leave the vicinity of the court through the doors and has 60 seconds to comply.

Members who appeal suspension periods are ineligible to participate in any activities at the City of Tea Tree Gully's Recreation Centres until an outcome of the appeal has been reached.

23.6. Should a player/spectator's details not be on file at the Recreation Centre, the team contact will receive notification of a person's suspension and/or outcome of the investigation, and it is the responsibility of the team contact to notify the person of the suspension and/or outcome of the investigation.

25.2. A maximum of two team balls are permitted per team, one of which may be used as the match ball (at the discretion of the umpire). No other netballs are to be brought into the stadium.

25.3. Members must ensure non match netballs or other sporting equipment are not used whilst the match is in progress

25.4. If an overhead basketball ring interferes with a shot for goal, pass or throw-in, the shot, pass or throw in shall be re-taken by the original player.

25.5. Any form of equipment abuse will be severely dealt with (refer to Penalty/Suspension Guidelines).

26. Use of cameras and filming equipment

Any person wishing to use a camera, mobile or any other filming, recording (video or otherwise) or photography devices within the City of Tea Tree Gully's Recreation Centres must obtain verbal permission from all parties who are within any shot, with the understanding they are aware of the use and if necessary, any publication of the footage and imagery. This is inclusive but not limited to all team members, match umpires, opposition teams, spectators, scorers, centre staff and all surrounding persons.

Permission should not be assumed as ongoing and must be obtained every time, game, court and venue usage. It may also be removed at any time. If any underage players, spectators or officials are present, parent or guardian permission must be obtained. If not present, permission should not be assumed, nor has it been granted – meaning no footage, photography or filming can include those individuals.

The angle of the camera should be positioned as to avoid the entry of persons who have not given permissions or arrive once the game is underway and therefore unable to be asked or potentially come in unnoticed. Devices should not be left unattended, and it is the team's responsibility to ensure it has a non-playing responsible person/s. A device of any size and additional items (i.e. tripod or stabilizer) must be kept at a safe distance from the court and maintain clearance as to not interfere or obstruct the movement, space, sightline or gameplay of umpires, players, spectators and all surrounding persons.

City of Tea Tree Gully encourages social media channels (examples including YouTube) to be private and not publicly available. If publicly available, as above, this must be made clear when obtaining permission and there must be understanding that permission can be withdrawn at any time.

Appendix 3 – Extraordinary Conditions of Play governing the Inclusion of Transgender and Gender Diverse People.

Transgender is a general term used to describe a person whose gender identity is different from the sex they were assigned at birth. Being transgender is about how an individual describes their own gender. It's not about their biological characteristics.

The City of Tea Tree Gully promotes an inclusive environment for transgender and gender diverse people however it does reserve the right to seek exemption under the *Sex Discrimination Act 1984 (Cth)* – ***SECT 42. (1) Nothing in Division 1 or 2 renders it unlawful to exclude persons of one sex from participation in any competitive sporting activity in which the strength, stamina or physique of competitors is relevant.***

The Act contains a permanent exemption in relation to "competitive sporting activity". This is commonly referred to "single sex competition" exemption. The exemption allows for discrimination on the grounds of sex gender identity only in "any competitive sporting activity in which the strength, stamina or physique of competitors is relevant"
