

Playground Crawl

CITY OF
TEA TREE GULLY
Naturally Better

Pack a picnic and set off for a family day of adventure, exploration and recreation!

Our City has a wide variety of playgrounds for children of all ages to enjoy. From nature play elements, to swings, seesaws, themed equipment and nets to climb, there are many ways children can explore and learn at playgrounds.

Not only do our playgrounds and reserves offer plenty of outdoor space, there are a range of developmental, health and wellbeing benefits to visiting playgrounds too.

This booklet outlines a selection of playgrounds to explore either by car or foot. We've divided our City into five different zones for the playground crawl: Central, North, East, South and West. There are ten routes to explore.

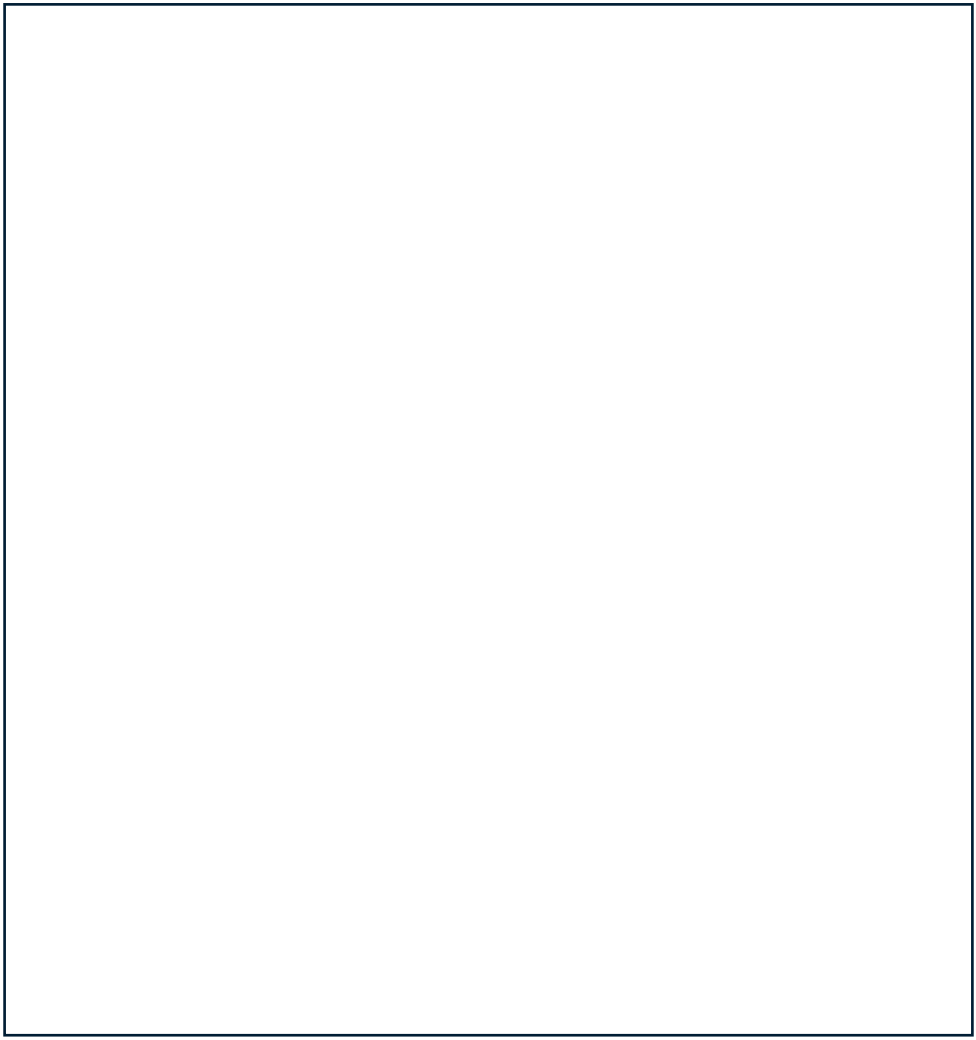

The icons on the maps will guide you through your chosen playground crawl. All routes vary in length and time, and offer something different to experience.

Once you've completed the playground crawl, explore the other 120 playgrounds across our City. Head outdoors with your family and enjoy them during the school holidays, the weekend, after school ... you name the time and place!

To see our complete list of playgrounds across the City, visit cttg.sa.gov.au/playgrounds
