I have been given the opportunity to discuss immunisation, including the risks and benefits, with a nurse. I consent to be vaccinated with the vaccines indicated. I understand the information I provide during the consent process, and information related to any vaccines administered, will be stored electronically and/or in hard copy as a medical record. I consent to the disclosure of this information to staff involved in the provision of an immunisation service for SA Health and local government councils, and their immunisation providers. I acknowledge that the immunisation record will be recorded on the Australian Immunisation Register where it will be stored on my Medicare account.
