Dear Resident,

Welcome to the City of Tea Tree Gully

We are delighted you have chosen the City of Tea Tree Gully to call home.

You join a growing number of people discovering the benefits of living in a vibrant and progressive city that enjoys an abundance of green open space and access to a range of modern facilities.

One of the great things about our City, and one of the things I love most, is the people. I am proud of our diverse community and the way they work together to create a truly wonderful place to live, work and play.

As custodians of this City, Council delivers more than 150 services, from waste management through to immunisation and everything in between. We also offer a range of opportunities to participate in local sports, to learn new skills, to grow and connect with others.

To help you settle in to life in the City of Tea Tree Gully, we have developed a helpful e-guide that you can access using the QR code or via cttg.sa.gov.au/newresident. It includes information on key council services and facilities – to start with, please set up your customer portal and opt in to electronic rates management.

Included in the e-guide are the contact details of myself and your elected members, please reach out to one of us if we can be of assistance as you settle into our beautiful City.

I hope you enjoy your new home.

Yours sincerely

Marijka Ryan
Mayor
