# LGITSA conference and awards

14th July 2022

LGITSA will be holding their annual conference on 20 and 21 October 2022 and nominations for the LGITSA Awards close on 19 August 2022.

## LGITSA conference

The results from the LGITSA events survey are in... with the decision to hold a premier, 2 day LGITSA conference annually in October.

The LGITSA Board and Events Sub-Committee have been thoroughly analysing the results of the recent LGITSA events survey and sponsor feedback, together with events attendance statistics over the past few years. Thank you to those members who participated in the survey, the committee appreciates the time you took to share your comments and ideas.

After exploring a range of different options for the format and frequency of events, the LGITSA Board has responded with the following changes for 2022/2023.

- One premier event to be held annually in October - the LGITSA two-day Conference and Gala Awards Dinner with our valued sponsors in attendance both days

Dinner, with our valued sponsors in attendance both days.

- In lieu of the May event, throughout the year we will seek to expand LGITSA Special Interest Groups opportunities and consider offering dedicated professional development session(s).
- The informal end of year LGITSA networking event will continue to be held in November/December.

Don't miss out on your chance to attend the premier LGITSA conference on 20 and 21 October 2022!

Registrations will open soon and further information will continue to be added to the event page:
