6th October 2021

Community Centres SA is a leader in community development. Please join us at the beautiful Adelaide Hills Convention Centre at our Festival of Inclusion on 4th November 2021.

We know that inclusivity deeply matters. It is necessary for acceptance, belonging, and being free from stigma and judgment. It's a pre-cursor to healthy and empowered communities.

We would love you to join us at our Festival on **4th and 5th November 2021**.

This conference is a festival of in-depth contributions from top inclusivity innovators and leaders from Australia. It's a festival of making new connections and forming lasting allies. A festival of 'on the ground' studies, workshops, and practical tools to design, build and deliver strategies and belonging programmes. And a festival of fun using creativity to break down silos!

Compelling and stimulating speakers include

- The keynote speaker is **Robert Fitzgerald AM**. Robert is the NSW Ageing and Disability Commissioner and a veteran of more than 18 government-commissioned national inquiries.
- **Hon Penny Wong** is well known to many as the Shadow Minister for Foreign Affairs.
- **Katey Bereny** works in community mental health as a Peer Practitioner for Mind Australia
- **Shona Reid**, a proud Eastern Arrernte woman and CEO at Reconciliation SA.
- **Daniel Teitelbaum** thinks about inclusivity differently. You will learn some new skills and tools that are easily introduced into your everyday practice.

Day 1 will bring you speakers, workshops and networking opportunities.

Day 2 will bring you our infamous Bus Tour exploring Community Centres and community based activities that encourage inclusion that you can take back to your centres.

Join elected members, CEO's, managers, social planners, community development officers, volunteers, members of management committees/boards and representatives from government and non-government agencies in the human services sector at this inspirational event.
