EM Forum #3 - Lessons for the Future

"Stimulating, Informative, Thought-provoking"

In this final Elected Member forum for the year themed '*Lessons for the Future*', Elected Members had the opportunity to network with other members from across the state, reflect on the year, and consider their plans and goals for 2022.

'*Stimulating, Informative* and '*Thought-provoking*' are just some of the words used to describe this interactive forum.

Cr Jane Bange, one of the attending members valued the networking and says it was an interesting and reflective model of self-awareness that can assist leadership style and effectiveness.
