1. Introduction

A Community Land Management Plan (CLMP) is a document that is prepared in consultation with the community within a Council area. CLMPs provide the framework and direction for the use of community land that is identified in a specific plan as well as the restrictions and limitations.

An 'activity category' is attached to each site and this identifies the intended activity or dominant activity on the land. The activity categories guide how the land is managed and the types of facilities and infrastructure that may be on the land. Activity categories are described in [Appendix 2](#).

Community land is categorised using the same open space classifications that are in Council's Open Space Policy and describe the function and purpose of open space.

There are six (6) types of CLMPs:

- Sporting and Community
- Major Parks
- Minor Parks
- Natural Areas
- Cultural and Heritage Areas
- Tree Screens

A register of CLMPs is available on Council's website [here](#).

2. Definition of Community Land

Under the *Local Government Act 1999*, Local Government land is defined as land owned by a council or under a council's care, control and management. 'Land' defined by the *Local Government Act 1999* (Section 4(1) – Interpretation) includes any building, structure or improvement on the land including land covered by water.

All local government land (except roads) is classified as community land unless excluded by a formal resolution of Council, eg at the time of acquisition. Council may revoke the community land classification by a Council resolution with the revocation requiring the approval of the relevant Minister.

3. Requirement for a Community Land Management Plan

The *Local Government Act 1999* requires Council to have a CLMP for the land to which this document relates because:

- the land has, or is to be, specifically modified for the benefit or enjoyment of the community and
- some of the land listed herein has been, is, or is to be, occupied under a lease or licence over the whole of or portion of the land.

4. Community Land Management Plan – Turramurra Recreation Centre

Name of property	Turramurra Recreation Centre	
Address/location	990 – 1030 Lower North East Road, Highbury Lot A Coombe Place, Highbury

Review period	As required	
Record Number		

4.1 General description of the land

The Turramurra Recreation Centre consists of two land parcels that collectively make up the site. The site is predominantly used for active and passive recreation including a community building, carparking area, landscaped areas, reserve furniture and extensive remnant indigenous vegetation. Turramurra Recreation Centre has a District level catchment that has the potential to benefit or draw people from within 2-5 kilometres.

4.2 Purpose for which the land is held

Section 7 of the *Local Government Act 1999* requires Council to provide services and facilities that benefit its area, its ratepayers, residents and visitors to its area, including (but not limited to) recreational facilities.

¹ See Council's Open Space Policy

² See Council's Open Space Policy

³ See Appendix 2 – Category Description

Turramurra Recreation Centre is retained by Council to provide active and passive recreational opportunities for the community including (but not limited to) netball and basketball competitions, badminton, fitness programs for a variety of age groups.

4.3 Permits, Licences, Leases and Casual Hire

Council may grant a lease or licence for the whole or any part of the land. Casual hire may be arranged by contacting the Council on 8397 7444.

The Centre is currently used by various groups including (but not limited to) for basketball, pickleball, judo, dance and others.

A Lease Agreement is in place as follows:

Name of lessee or licensee	Term of the lease or licence	Actual land to which the lease or licence relates	Purpose for which the lease or licence has been granted
Australia Tower Network Pty Ltd (ACN 643875165) for Optus Mobile Pty Ltd	Two leases x 10 years expiring on 23 April 2032	Portion of Allotment 50, FP40128 in Certificates of Title Volume 6128, Folios 664 and 665	Constructing, maintaining and operating a telecommunications network and telecommunications service

4.4 Objectives for the land

Council's key objectives for the management of Turramurra Recreation Centre are to provide:

- Safe open space areas and facilities that encourage participation in sporting, community and recreation activities
- Infrastructure to support sporting, community and recreation activities;

and for these facilities to be utilised to their maximum potential, which may include shared use by the community and clubs.

The infrastructure for Turramurra Recreation Centre is set out in Item 5 – Performance Targets and Measures.

The granting of a lease, licence or permit formalises the use of community land and/or facilities and the land will be managed in accordance with the relevant lease, licence or permit.

4.5 Relevant Council Policies

The management and development of Turramurra Recreation Centre must have regard to Council's policies and procedures (as published from time to time), that are relevant to the land, including (listed in alphabetical order and not in order of priority or importance):

- Asset Management Policy
- Boundary Fence Management Policy
- Cat Management Policy
- Community Engagement Public Consultation Policy
- Disposal of Land and Assets and Acquisition of Land Policy
- Drone Policy
- Easements Management Policy
- Emergency Management Policy
- General Complaints Policy
- Leases and Licences to Sporting and Community Organisations Policy
- Liquor Licence Application Management Policy
- Open Space Policy
- Pest Plant and Animal Control Policy
- Public Art Policy
- Public Fundraising Policy
- Public Lighting Policy
- Public Toilets Policy
- Recycled Water Management Policy
- Sponsorship Policy
- Sports Field Floodlighting Policy
- Risk Management Policy
- Tree Management Policy
- Unsolicited Proposals Policy

4.6 Public Consultation

Council may only adopt or amend a Community Land Management Plan after following the steps set out in its public consultation policy.

Council acknowledges that it has complied with the requirements of Sections 50 and 197 of the *Local Government Act 1999* which sets out the requirements for councils to prepare and adopt public consultation policies and the relationship with CLMPs.

4.7 Legislative Requirements

This CLMP has considered the relevant State Government and City of Tea Tree Gully plans, policies and legislation about the conservation, development and use of the land that falls within the CLMP. Where relevant these will be considered when contemplating management and future development of the Turramurra Recreation Centre.

4.8 Performance Appraisal

Council will measure its management of the land in the following ways (in no particular order or priority):

- Council undertakes community consultation in relation to the purpose and use of the land and for any proposed significant changes to this Plan, in accordance with its Community Engagement (Public Consultation) Policy.
- The community has the opportunity to interact directly with Council via Council's website to request maintenance on this reserve. The request can be monitored by the community member.
- Scheduled maintenance and inspections will be aligned with Council Maintenance Service Levels.
- Asset management models are used to assist with planning for the maintenance and replacement life of all assets.

4.9 Development

As required by the Local Government Act 1999, the community will be engaged where there is likely to be a significant impact on the interests of the community or where a proposal may be inconsistent with this CLMP.

Subject to compliance with the requirements of all relevant legislation the Council may seek to sell, dispose of or alienate this land from community use in line with the provisions of the Local Government Act 1999.

The Council may during the life of this CLMP grant leases, licences and permits and casual hire over the whole or portion of the land by the erection of buildings, structures or other improvements to enhance or provide benefit to the community.

Council renews and upgrades assets with consideration for the needs of existing and future communities and incorporates universal design where possible.

Future development will be subject to budget considerations.

5. Performance Targets and Measures

Performance targets and performance measures relating to the objectives for the provision and maintenance of infrastructure and other elements for Turramurra Recreation Centre are summarised in the following table (in alphabetical order and not in order of priority or importance).

Item No.	Infrastructure and other elements	Performance targets	Performance measures
5.1	Biodiversity	Biodiversity values are protected and/or restored where suitable with consideration for amenity and recreational activities.	Condition audits of biodiversity areas conducted once a year.
5.2	Buildings include but not limited to Community Centres, Clubrooms, Indoor Training Facility, Sheds, Toilets.	Community buildings are safe, well maintained and available for use by the community and community groups.	Building inspections are undertaken in line with Council's <i>Leases and Licences to Sporting & Community Organisations Policy</i> , the Minister's Specification SA76 (for essential safety) and Council's Asset Management Plan.
5.3	Carpark includes but is not limited to formal and informal, lined, concrete, dolomite, asphalt surfaces and traffic management devices.	Carparks are fit for purpose, safe to use by the community and accessible during all weather conditions.	Carparks are inspected as required with maintenance or renewal requirements identified and scheduled in works programs.
5.4	Fencing includes but is not limited to fencing set out in Council's Fencing Type Specification.	Fencing for which Council is responsible is structurally sound and fit for purpose.	Fences will be inspected as required and maintained in accordance with relevant Australian Standards.
5.5	General lighting	Lighting is provided to ensure safe movement for pedestrians and vehicles around the land and to and from buildings.	Maintenance is undertaken to ensure lighting complies with Australian Standards.

Item No.	Infrastructure and other elements	Performance targets	Performance measures
5.6	Landscaped areas include but not limited to irrigated garden beds, grassed areas, non-irrigated gardens and plantings.	Landscaped areas are provided and maintained in line with Council's Open Space Policy.	Council will regularly inspect landscaped areas during the scheduled maintenance program and undertake maintenance identified during these inspections as required.
5.7	Leases, licences	<p>Leases and licence agreements align Council's <i>Leases and Licences to Sporting and Community Organisations Policy</i>.</p> <p>Lessees and licensees are bound by the terms and conditions of the agreement.</p>	<p>Maintenance of a lease/licence register including lease/licence fee payable and due date/s.</p> <p>Regular reviews conducted to ensure compliance with lease/licence conditions.</p>
5.8	Open Space Furniture includes but is not limited to signage, seats, bollards, bins, drinking fountains, picnic tables, BBQs, bike racks, fitness equipment, monuments.	Open Space furniture is fit for purpose, safe to use by the community and encourages usage.	<p>Open Space furniture will be inspected on an annual basis and maintained in accordance with relevant Australian Standards.</p> <p>Identified maintenance issues are addressed in order of priority for safety and function.</p>
5.9	Paths include but not limited to dolomite, concrete, pavers, recycled bitumen, blocks or bricks, stepping stones and may be formal or informal.	Paths are provided to ensure safe, accessible and convenient movement for pedestrians around the park/open space/to and from buildings (delete what is not applicable).	Council monitors the condition of paths and attends to reported defects in accordance with its Customer Service standards.
5.10	Permits	Seasonal permits are granted for uses that are consistent with the objectives for the land.	Regular reviews conducted to ensure compliance with permit conditions.

Item No.	Infrastructure and other elements	Performance targets	Performance measures
5.11	Sports Courts, including but not limited to tennis, basketball, netball, cricket pitch and sports goals.	Court surfaces are fit for purpose with goal posts, nets and seating areas where relevant.	Courts are available for use in accordance with the terms of lease agreement. Maintenance is carried out as required.
5.12	Sports lighting	Sports lighting infrastructure illuminates sporting fields, courts and nearby equipment to ensure these areas are safe and fit for purpose.	Maintenance and repair work is undertaken to maintain flood lights in accordance with Australian Standards and /or the relevant sporting code requirements.
5.13	Telecommunications Infrastructure (third party)	Telecommunications infrastructure is managed and maintained by the owner in accordance with the lease and the requirements of the Local Government Act 1999 and the Telecommunications Act 1997 (Cwlth).	Review of terms and conditions undertaken at the end of each lease period to determine compliance by lessee.

6. Appendix 1 - Aerial Map

7. Appendix 2 – Category Description

The City of Tea Tree Gully CLMPs contain a category for each parcel of community land listed. The categories assist to readily identify the dominant activity or function and/or the intended activity for the land. Description of the categories is below:

Category for dominant activity / function or purpose (label to be included in CLMP)	Description/Characteristics - Parcels that:
Active Recreation	Include a playground, kick about area, irrigated grassed area, toilets, BBQs. May include a formal or informal carpark. Suitable for structured and unstructured recreation and physical activity.
Cemeteries	Are specifically designated as burial grounds containing graves, headstones, urns and other elements to commemorate deceased human beings.
Kaurna culture	Are sites that contain significant and important cultural history for the Kaurna people.
Linear Park	Include portions of the regional open space corridor linking the Adelaide foothills to the coast with access to a range of recreational experiences (River Torrens Linear Park) or Include the corridor of open space located alongside the O-Bahn Busway linking the CBD with the City of Tea Tree Gully.
Linkage	Create a relatively short link via a formal or informal pedestrian path between two or more cul-de-sacs or roads or between two or more Council facilities.
Local Heritage Place State Heritage Place	Contain a building, element or place that is designated as a place of local heritage by the Planning and Design Code or registered in the SA Heritage Register as a place of state heritage value.
Memorial Sites	Contain infrastructure and/or elements (eg storyboards, plaques, memorial walls, flag poles, arbour) to identify and commemorate significant national and local events and/or individuals who served in war and peace to defend Australia.
Passive Recreation	Contain minimal facilities, areas where the community may sit and reflect or quietly interact with others. May contain sensory gardens, large areas of open space that are suitable for walking, cycling or quiet play.

Category for dominant activity / function or purpose (label to be included in CLMP)	Description/Characteristics - Parcels that:
Screening	<p>Are generally relatively long/narrow strips of land containing mature trees and/or shrubs that perform a screen function and/or road traffic buffer between an arterial road and private properties or a Council reserve.</p> <p>Parcels may contain a footpath and / or landscaping</p>
Stormwater Management	<p>Contain stormwater management pipes and/or other infrastructure and/or other drainage related services. Contain a watercourse.</p> <p>Contain no pipes but is required for overland flow purposes in case of flood.</p> <p>Detention basins, dams and wetlands.</p>
