

Community Land Management Plan

Tea Tree Gully: Browning Courts

Description

Identity of land the subject of this plan:

Lot 313 in Deposited Plan 51666, being the land contained in Certificate of Title 5633/748, bounded by Browning Street, Tea Tree Gully. The attached plan identifies the location of the land. The land comprises tennis courts which include nets, fencing, seating, grassed area, concrete pathway with irrigation, fountain and spring rocker.

Purpose

Council retains this land for the following purposes:

The Council is required by Section 7 of the Local Government Act 1999 to “provide services and facilities that benefit its area, its ratepayers and residents and visitors to its area, including amongst other things recreational facilities”. This land is retained by Council to provide passive and active recreation facilities for the community and other visitors. The casual hire of these reserves can be arranged by contacting Council’s Customer Relations Centre on 8397 7444.

Council may grant a lease or licence of the whole or any part of the land during the life of this management plan.

Council will consider the land in regards to it being suitable for the purpose and may with its powers under Council’s By-Laws restrict or prevent activities that are considered to be inappropriate for the land.

Objectives

Council’s objectives for managing this land are as follows:

The Council seeks to ensure that all of its assets are utilised to their maximum potential. In particular the land serves to meet the Council’s desire that residents are able to partake in a range of activities to achieve a balanced life incorporating recreation opportunities.

Management Proposal

These are the Council's proposals for managing this land:

The land comprises tennis courts which include nets, fencing, seating, grassed area, concrete pathway, irrigation, fountain and spring rocker and the following are proposed:

1. Tennis Courts

The tennis court surface is managed by Council using various techniques such as minor patching, crack sealing or resurfacing with hot mix and then appropriately relined. They are equipped with nets for community use.

2. Fencing

Reserve boundary fencing adjacent to residential or commercial properties are not managed or maintained by Council in accordance with the Fences Act 1975. Fencing rails or panels at other sites independent of "boundaries" are repaired or replaced to ensure that they are structurally sound and suit the intended purpose.

3. Grassed Area

The grassed areas are currently equipped to satisfy the needs of regular users. As required, controllers and sprinklers are replaced or repaired to maintain a service standard consistent with its existing use. The sites are regularly mowed and watering occurs in accordance with the Code of Practice for Irrigated Public Open Space as regulated by SA Water.

Council has a regular maintenance schedule, which is reviewed prior to the setting of the Council's annual budget. The schedule provides for the Council's staff to attend to the upkeep of the land structures and equipment in a reasonable fashion, bearing in mind the requirement on Council to attend to the management of its other City wide assets.

Subject to compliance with the requirements of all relevant legislation the Council may, during the life of this management plan, develop the land by erecting buildings or structures which will enhance the use of the land as a recreation facility.
