1. PURPOSE

The purpose of this policy is to provide a general Council position to our community and operational direction to Council officers in regards to how the use of a public road under Council care and control may be permitted for business purposes.

2. POLICY

2.1 Permits for Use of a Road for a Business Purpose

Vendors sell a range of products from roads including for short term periods for specific occasions (i.e. selling flowers for Mother's Day) and more regular and sustained periods (including long term arrangements) as is the case with ice cream vans and coffee vans . The following conditions apply in regard to the issuing of permits for the use of a road for business purpose within the City of Tea Tree Gully.

Mobile Food Trucks are not required to

2.2 Short Term Permits - Fixed Point of Sale

Annual events such as Mother's Day where the selling period is clearly of a short defined term (e.g. the eight (8) days prior to Mother's Day and the day itself) requires a single permit per site per applicant. An applicant wishing to sell from multiple sites may include these sites on a single application although a separate fee and assessment process will be required for each site.

Where an applicant wishes to sell products from a location on a regular and/or extended basis exceeding nine (9) consecutive days then a separate fee will apply for each occasion outside of this nine day period. Roadside fruit sellers are an example of such a situation.

A permit shall not be issued unless the necessary approvals under the Development Act 1993 have first been obtained, or it has been determined that a development approval is not required for the establishment of the business.

Where more than one point of sale location applies and a permit is granted and a separate fee will apply for each point of sale location.

2.3 Long Term Permits - Mobile Vehicles or Trailers

This clause is relevant to applicants requesting regular and sustained periods of selling ice cream and coffee on public roads.

Where a vendor operates more than one van or point of sale location, a permit may be issued in respect of each van or point of sale, at Council's discretion. Yearly fees per vehicle apply. Council may issue expiation notices where a business is being operated without a permit or breach of permit conditions, or can cancel permits where a breach is sufficiently serious.

2.4 Long Term Permits - Cafes, Restaurants and Outdoor Dining

Although they are not a current feature in the Tea Tree Gully landscape Alfresco type arrangements operating on a Council footpath require a permit from Council to occupy its land.

The granting of the permit under this policy may be subject to the requirement to obtain Development approval and a Liquor Licence.

2.5 Fees and Charges

Council will charge a fee for issuing these permits and the fees will be based on the following structure:

- a. Short Term Continual Use - Up to a maximum of nine (9) days as a fee per day
- b. Short Term Ad Hoc or Occasional Use - To include stalls such as fruit and vegetable i.e. one day per month for 12 months
- c. Annual Fee –Selling c from Council owned/controlled roads
- d. Long Term - Outdoor Dining fee per chair.

2.6 Records management

All applications, approvals (with conditions) and refusals are required to be in writing and appropriately recorded in Council's records management system in accordance with Council's Records Management Policy and procedures.
