1. Introduction

A Community Land Management Plan (CLMP) is a document that is prepared in consultation with the community within a Council area. CLMPs provide the framework and direction for the use of community land that is identified in a specific plan as well as the restrictions and limitations.

An 'Activity Category' is attached to each site and this identifies the intended activity or dominant activity on the land. The activity categories guide how the land is managed and the types of facilities and infrastructure that may be on the land. Activity categories are described in Appendix 2.

Community land is categorised using the same open space classifications that are in Council's Open Space Policy and describe the function and purpose of open space.

There are six (6) types of CLMPs:

- Sporting and Community
- Major Parks
- Minor Parks
- Natural Areas
- Cultural and Heritage Areas
- Tree Screens

A register of CLMPs is available on Council's website [here](#).

2. Definition of Community Land

Under the *Local Government Act 1999*, Local Government land is defined as land owned by a council or under a council's care, control and management. 'Land' defined by the *Local Government Act 1999* (Section 4(1) – Interpretation) includes any building, structure or improvement on the land including land covered by water.

All local government land (except roads) is classified as community land unless excluded by a formal resolution of Council, eg at the time of acquisition. Council may revoke the community land classification by a Council resolution with the revocation requiring the approval of the relevant Minister.

3. Requirement for a Community Land Management Plan

The *Local Government Act 1999* requires Council to have a CLMP for the land to which this document relates because:

- the land has, or is to be, specifically modified for the benefit or enjoyment of the community;
- some of the land listed in this CLMP has been, is, or is to be, occupied under a lease or licence.

4. Community Land Management Plan – Sporting & Community Area – Richardson Reserve

Name of Property	Richardson Reserve
Address/Location	1-19 Richardson Drive, Wynn Vale
Aerial Map Index/Link	
Legal Description	Allotment 803 in DP 22355, in CT 5555/864
Ownership	City of Tea Tree Gully
Area of land	35,421 square metres
Lease or licence and actual land	See Item 4.3
Trust, Dedication or Restriction	Reserve
Open Space Hierarchy (catchment)¹	District
Open Space Classification²	Sports Area
Category³	Active Recreation
Endorsed by Council	28 November 2023
Review Period	As required
CM Record Number	D23/100946

4.1 General description of the land

Richardson Reserve consists of a single land parcel, used predominantly for active and passive recreation. The site includes a multi-purpose synthetic playing field, grassed area with irrigation, landscaping, stormwater outlet, carpark, three-level multi-purpose community building, lighting, fencing, paths, reserve furniture water storage tank and pumping facility. Richardson Reserve has a District level catchment with the potential to benefit or draw people from within a two to five-kilometre catchment.

A screening strip consisting of mature trees and vegetation is situated to the north west of the site with frontage to the Golden Way creating a barrier between this sub-arterial road and Wynn Vale Primary School.

4.2 Purpose for which the land is held

Section 7 of the *Local Government Act 1999* requires Council to provide services and facilities that benefit its area, its ratepayers, residents and visitors to its area, including (but not limited to) recreational facilities.

¹ See Council's Open Space Policy

² See Council's Open Space Policy

³ See Appendix 2 – Category Description

The purpose for retaining Richardson Reserve is to provide soccer playing fields and associated facilities and to provide opportunities for the community to participate in other recreational and fitness activities.

A small part of the Reserve is held to provide screening from the Golden Way.

4.3 Permits, Licences, Leases and Casual Hire

Council may grant a lease or licence for the whole or any part of the land. The Richardson Reserve Community Building has 3 community rooms available for ongoing hire which can be arranged by contacting Council on 8397 7444 or via the website.

A Lease Agreement is in place as follows:

Name of lessee or licensee	Term of the lease or licence	Actual land to which the lease or licence relates	Purpose for which the lease or licence has been granted
Modbury Vista Soccer Club Inc	Ten (10) years expiring at midnight on 31 March 2026.	Portion of the land comprised in CT5555/864 – community building	Conduct of soccer matches and associated activities
Modbury Vista Soccer Club Inc	Licence – ten (10) years expiring at midnight on 31 March 2026 during the times set out in Schedule 3 of the lease document (D16/45670)	Portion of the land comprised in CT5555/864 – the area highlighted in red in Schedule 3 of the lease document (D16/45670)	Soccer matches

4.4 Objectives for the land

Council's key objectives for the management of Richardson Reserve are to provide:

- safe open space areas and facilities that encourage participation in sporting, community and recreation activities;
- infrastructure to support sporting, community and recreation activities;

and for these facilities to be utilised to their maximum potential, which may include shared use by the community and clubs.

The infrastructure for Richardson Reserve is set out in Item 5 – Performance Targets and Measures.

The granting of a lease, licence or permit formalises the use of community land and/or facilities. The land will be managed in accordance with the relevant lease, licence or permit.

4.5 Relevant Council Policies

The management and development of Richardson Reserve must have regard to Council's policies and procedures (as published from time to time), that are relevant to the land, including (listed in alphabetical order and not in order of priority or importance):

1. Asset Management Policy
2. Boundary Fence Management Policy
3. Cat Management Policy
4. Community Engagement Public Consultation Policy
5. Disposal of Land and Assets and Acquisition of Land Policy
6. Drone Policy
7. Easements Management Policy
8. Emergency Management Policy
9. General Complaints Policy
10. Leases and Licences to Sporting and Community Organisations Policy
11. Liquor Licence Application Management Policy
12. Open Space Policy
13. Pest Plant and Animal Control Policy
14. Public Art Policy
15. Public Fundraising Policy
16. Public Lighting Policy
17. Public Toilets Policy
18. Recycled Water Management Policy
19. Sponsorship Policy
20. Sports Field Floodlighting Policy
21. Risk Management Policy
22. Tree Management Policy
23. Unsolicited Proposals Policy

4.6 Public Consultation

Council may only adopt or amend a Community Land Management Plan after following the steps set out in its public consultation policy.

Council acknowledges that it has complied with the requirements of Sections 50 and 197 of the *Local Government Act 1999* which sets out the requirements for councils to prepare and adopt public consultation policies and the relationship with CLMPs.

4.7 Legislative Requirements

This CLMP has considered the relevant state government and City of Tea Tree Gully plans, policies and legislation about the conservation, development and use of the land that falls within this CLMP. Where relevant these will be considered when contemplating management and future development of the Richardson Reserve.

4.8 Performance Appraisal

Council will measure its management of the land in the following ways (in no particular order or priority):

- Council undertakes community consultation in relation to the purpose and use of the land and for any proposed significant changes to this Plan, in accordance with its Community Engagement (Public Consultation) Policy.
- The community has the opportunity to interact directly with Council via Council's website to request maintenance on this reserve. The request can be monitored by the community member.
- Scheduled maintenance and inspections will be aligned with Council Maintenance Service Levels.
- Asset management models are used to assist with planning for the maintenance and replacement life of all assets.

4.9 Development

As required by the *Local Government Act 1999*, the community will be engaged where there is likely to be a significant impact on the interests of the community or where a proposal may be inconsistent with this CLMP.

Subject to compliance with the requirements of all relevant legislation the Council may seek to sell, dispose of or alienate this land from community use in line with the provisions of the *Local Government Act 1999*.

The Council may during the life of this CLMP grant leases, licences and permits and casual hire over the whole or portion of the land by the erection of buildings, structures or other improvements to enhance or provide benefit to the community.

Council renews and upgrades assets with consideration for the needs of existing and future communities and incorporates universal design where possible.

Future development will be subject to budget considerations.

5. Performance Targets and Measures

Performance targets and performance measures relating to the objectives for the provision and maintenance of infrastructure and other elements for Richardson Reserve are summarised in the following table (in alphabetical order and not in order of priority or importance).

ITEM NO.	INFRASTRUCTURE & OTHER ELEMENTS	PERFORMANCE TARGETS	PERFORMANCE MEASURES
5.1	Buildings including but not limited to Community Centres, Clubrooms, Indoor Training Facility, Sheds, Toilets.	<p>Modbury Vista Soccer Club Inc manages and maintains the buildings in accordance with the requirements of the lease between the Club and Council.</p> <p>Formal agreements with user groups are in place and include conditions to maintain amenity buildings.</p> <p>Buildings are safe, well maintained and available for use by the community and community groups.</p>	Building inspections are undertaken in line with Council's <i>Leases and Licences to Sporting & Community Organisations Policy</i> , the Minister's Specification SA76 (for essential safety) and Council's Asset Management Plan.
5.2	Carparks including but not limited to formal and informal, lined, concrete, dolomite, asphalt surfaces and traffic management devices.	Carparks are fit for purpose, safe to use by the community and accessible during all weather conditions.	Carparks are inspected as required with maintenance or renewal requirements identified and scheduled in works programs.

ITEM NO.	INFRASTRUCTURE & OTHER ELEMENTS	PERFORMANCE TARGETS	PERFORMANCE MEASURES
5.3	Fencing including but not limited to fencing set out in Council's Fencing Type Specification.	Fencing for which Council is responsible is structurally sound and fit for purpose.	Fences will be inspected as required and maintained in accordance with relevant Australian Standards.
5.4	General lighting	Lighting is provided to ensure safe movement for pedestrians and vehicles around the park/open space/to and from buildings. (delete what is not applicable).	Maintenance is undertaken to ensure lighting complies with Australian Standards.
5.5	Landscaped areas including but not limited to irrigated garden beds, grassed areas, non-irrigated gardens and plantings.	Landscaped areas are provided and maintained in line with Council's Open Space Policy.	Council will regularly inspect landscaped areas during the scheduled maintenance program and undertake maintenance identified during these inspections as required.
5.6	Leases, licences	<p>Leases and licence agreements align with Council's <i>Leases and Licences to Sporting and Community Organisations Policy</i>.</p> <p>Lessees and licensees are bound by the terms and conditions of the agreement.</p>	<p>Maintenance of a lease/licence register including lease/licence fee payable and due date/s.</p> <p>Regular reviews conducted to ensure compliance with lease/licence conditions.</p>

ITEM NO.	INFRASTRUCTURE & OTHER ELEMENTS	PERFORMANCE TARGETS	PERFORMANCE MEASURES
5.7	Open Space Furniture including but not limited to signage, seats, bollards, bins, drinking fountains, picnic tables, BBQs, bike racks, fitness equipment, monuments.	Open Space furniture is fit for purpose, safe to use by the community and encourages usage.	Open Space furniture will be inspected on an annual basis and maintained in accordance with relevant Australian Standards. Identified maintenance issues are addressed in order of priority for safety and function.
5.8	Paths including but not limited to dolomite, concrete, pavers, recycled bitumen, blocks or bricks, stepping stones and may be formal or informal.	Paths are provided to ensure safe, accessible and convenient movement for pedestrians around the Reserve and to and from buildings and the carpark.	Council monitors the condition of paths and attends to reported defects in accordance with its Customer Service standards.
5.9	Permits	Seasonal permits are granted for uses that are consistent with the objectives for the land.	Regular reviews conducted to ensure compliance with permit conditions.
5.10	Shade structures including but not limited to shade sails, shelters, gazebos, coach boxes, team shelters.	Structures are safe, well maintained and available for use by the community and community groups.	Inspections are undertaken in line with Council's <i>Leases and Licences to Sporting & Community Organisations Policy</i> , the Minister's Specification SA76 (for essential safety) and Council's Asset Management Plan.

ITEM NO.	INFRASTRUCTURE & OTHER ELEMENTS	PERFORMANCE TARGETS	PERFORMANCE MEASURES
5.11	Sports Courts, including but not limited to tennis, basketball, netball, cricket pitch and sports goals.	Modbury Vista Soccer Club Inc manages and maintains the Sports Courts in accordance with the requirements of the lease between the Club and Council.	Inspections are undertaken in line with Council's <i>Leases and Licences to Sporting & Community Organisations Policy</i> and Council's Asset Management Plan.
5.12	Sports lighting	Sports lighting infrastructure illuminates sporting fields, courts and nearby equipment to ensure these areas are safe and fit for purpose.	Maintenance and repair work is undertaken to maintain flood lights in accordance with Australian Standards and /or the relevant sporting code requirements.
5.13	Sporting Ovals	The turf and associated infrastructure are maintained in a fit for purpose state.	Council will regularly inspect the condition of the oval and associated infrastructure and undertake maintenance and renewal works as required.
5.14	Stormwater infrastructure	Stormwater management elements are managed with consideration for amenity and recreational facilities.	Stormwater infrastructure is maintained in accordance with Stormwater Asset Management Plans for the relevant catchment.
5.15	Water Storage Tanks	Storage tank forms part of the irrigation network at Richardson Reserve and supplements irrigation to the ovals.	The storage tanks and pumping infrastructure are inspected regularly to ensure fit for purpose. Water quality at Richardson Reserve storage tank is monitored regularly to evaluate salinity and other factors.

6. Appendix 1 - Aerial Map

7. Appendix 2 – Category Description

The City of Tea Tree Gully CLMPs contain a category for each parcel of community land listed. The categories assist to readily identify the dominant activity or function and/or the intended activity for the land. Description of the categories is below:

Description/Characteristics - Parcels that:	Category for dominant activity / function or purpose (label to be included in CLMP)
Include a playground, kick about area, irrigated grassed area, toilets, BBQs. May include a formal or informal carpark. Suitable for structured and unstructured recreation and physical activity.	Active Recreation
Are specifically designated as burial grounds containing graves, headstones, urns and other elements to commemorate deceased human beings.	Cemeteries
Are sites that contain significant and important cultural history for the Kaurna people.	Kaurna culture
Include portions of the regional open space corridor linking the Adelaide foothills to the coast with access to a range of recreational experiences (River Torrens Linear Park) or Include the corridor of open space located alongside the O'Bahn Busway linking the CBD with the City of Tea Tree Gully.	Linear Park
Create a relatively short link via a formal or informal pedestrian path between two or more cul-de-sacs or roads or between two or more Council facilities.	Linkage
Contain a building, element or place that is designated as a place of local heritage by the Planning and Design Code or registered in the SA Heritage Register as a place of state heritage value.	Local Heritage Place State Heritage Place

Description/Characteristics - Parcels that:	Category for dominant activity / function or purpose (label to be included in CLMP)
Contain infrastructure and/or elements (eg storyboards, plaques, memorial walls, flag poles, arbour) to identify and commemorate significant national and local events and/or individuals who served in war and peace to defend Australia.	Memorial Sites
Contain minimal facilities, areas where the community may sit and reflect or quietly interact with others. May contain sensory gardens, large areas of open space that are suitable for walking, cycling or quiet play.	Passive Recreation
Are generally relatively long/narrow strips of land containing mature trees and/or shrubs that perform a screen function and/or road traffic buffer between an arterial road and private properties or a Council reserve. Parcels may contain a footpath and / or landscaping	Screening
Contain stormwater management pipes and/or other infrastructure and/or other drainage related services. Contain a watercourse. Contain no pipes but is required for overland flow purposes in case of flood. Detention basins, dams and wetlands.	Stormwater Management
