Breed	Name	Registration number

Dogs requiring exemption

I acknowledge that the exemption will only relate to the dogs stated above and hereby undertake not to replace the above named dogs on the death or removal from the property of one or more of them, until such time as the number of dogs kept by me reaches one and will then only replace it with one more dog so as not to be in breach of Council's By-law.

I also understand that if an exemption is given it relates specifically to the dogs stated in this application and that the exemption may be revoked or varied at any time by Council and the property may be inspected at any time to ensure conditions of the approval are being complied with.

Date of application	
Signature of applicant	

The appropriate fee must accompany this application

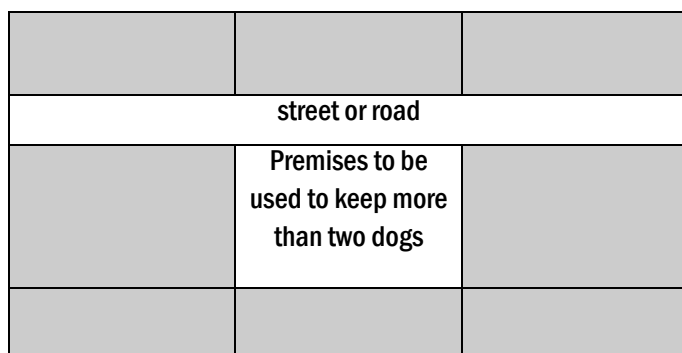

Please state why you wish to keep more than two dogs

Notes to the Applicant

A permit is required to keep more than one (1) dog in a small dwelling or more than two (2) dogs in any other premises.

Approval process

A letter will be sent to the residents of the properties shaded in the diagram below asking for them to contact Council if they have any concerns with your application.

An officer from Council will be in contact with you to arrange a suitable time to inspect your property to ensure your fencing is suitable to ensure the dogs are secured on your property at all times.

After approval has been given the additional dog/s must be registered with Council and the registration renewed each year that the dog is kept on your property.

The exemption granted is not transferable.

If Council receives a complaint concerning the dog(s) barking and the complaint is substantiated the exempted dog will need to be removed from the property.

Written notification of the approval/refusal will be sent to you after the application has been assessed.

Non approval

If the application is not approved, a refund of the fee paid will be made.

Variation to permit

Where a permit holder or dogs move premises or additional dogs are to be added to the approval an application to vary the permit is required.

Schedule of Fees
