

# APPLICATION FOR ADDITIONAL BINS AND COLLECTIONS

Households are entitled to a **red** lid waste bin and a **yellow** lid recycling bin and may request additional bins and collections. Households must purchase their own **green** lid organic bin, but may request additional collections.

Yearly service fees apply per additional bin collection as well as a once-off hire fee for **red** lid and **yellow** lid bins. There may be instances where no charge is applied for the additional bin and collections – this is assessed upon receipt of the application.

Fees are payable when submitting this application (unless the no charge option has been selected). No charge for service option may be requested for:

- Large families 5+ people living on a property on a full-time basis (evidence to be provided, e.g. copy of Medicare card or statutory declaration)
- Medical purposes – a resident living at the property that produces larger quantities of waste due to medical reasons.
