Purpose

Open and transparent Council and Committee meetings underpin representative democracy and ensure public confidence in Council's decision-making processes. Informal Gatherings, where appropriate, provide a valuable opportunity to enhance decision making processes by providing opportunities for Elected Members to become better informed on issues and seek further clarification.

The purpose of this Policy is to:

- Ensure that the statutory requirements for Informal Gatherings are observed
- Provide an opportunity for confidential discussions among Elected Members where this is warranted by the nature of the gathering or subject matter to be discussed
- Avoid any perception that Informal Gatherings will be used to build consensus for Council or Committee agenda items or that council is carrying, or effectively carrying out, out decision-making functions at Informal Gatherings, where these decisions are properly the province of formal Council or Committee meetings.

This policy applies to Informal Gatherings of Council (including Designated Informal Gatherings or Discussions).

Legislative framework and other references

There is a legislative requirement for Council to have a policy relating to this area. The following legislation applies to this Policy:

[Local Government Act 1999](#)

Section 90(8) of this Act provides for informal gatherings or discussions with Elected Members and employees. Section 90(8a) requires Council to have a policy in relation to informal gatherings or discussion that must provide for:

- Imposition of limitations on the holding of informal gatherings or discussions
- Procedures for approval of informal gatherings or discussions
- The capacity of the council to impose conditions on an approval.

[Local Government \(General\) Regulations 2013](#)

Section 8AB of the Regulations requires Designated Informal Gatherings or Discussions to be held in a place open to the public (unless declared to be held in confidence in accordance with the Act and Regulations).

Strategic Plan / Policy

The following strategic objectives in Council's Strategic Plan 2020 are the most relevant to this Policy:

Theme: **Prosperous and Connected**

Aspiration: Our local economy prospers and people feel a sense of purpose and belonging

Objective 2: A community that participates in meaningful community and economic activities

The ability for the public to attend Designated Informal Gatherings or Discussions, enables members of the public to be included in matters that may be, or are intended to be, part of the agenda of a formal meeting of Council or Committee.

For the purposes of this Policy the following definitions apply:

Act - Local Government Act 1999

CEO - Refers to the Chief Executive Officer (including their delegate) of the City of Tea Tree Gully.

Designated Informal Gathering or Discussion - an event organised or conducted by or on behalf of Council or CEO to which members of the Council or Committee have been invited and that involves discussion of a matter that is, or is intended to be, part of the agenda for a formal meeting of the Council or Committee.

Elected Members - Includes the Councillors and the Mayor.

Informal Gathering - Gatherings of some or all Elected Members to discuss council business that are arranged by the Council (either by CEO or by the elected council) other than proceedings which are subject to formal notification and minutes (eg. Council and Committee meetings). This includes, but is not limited to:

- Planning sessions associated with the development of policies or strategies
- Briefing sessions / CEO and other workshops
- Training and Development sessions
- Social gatherings, arranged by the Council, to encourage informal communication between Elected Members or between Elected Members and employees
- Other informal gatherings and discussions arranged by the Council, either by the CEO or by the Council.

Regulation - Local Government (General) Regulations 2013

Policy

Council is aware of the need to balance openness and transparency with opportunities for discussions between Elected Members and Council employees. This Policy provides for Elected Members to have sufficient opportunity to conduct planning sessions, participate in workshops, receive informal briefings and educational sessions, and convene other informal gatherings without prejudicing the requirements for openness and transparency as required by the Act and Regulations.

Informal Gatherings vs Designated Informal Gatherings or Discussions

Informal Gatherings are used for the purpose of information sharing, generating ideas, education and/or discussing issues that involve strategy or policy or other matters of council administration. They may also be used to train or brief Elected Members on issues relevant to discharging their roles, responsibilities and functions as an Elected Member.

Section 90(8) of the Act allows Informal Gatherings or discussions to be held provided that the gathering or discussion does not obtain, or effectively obtain, a decision on a matter outside a formally constituted meeting of the Council or Committee. Informal Gatherings are not used for the purpose of lessening or preventing debate on matters that may be subsequently dealt with at Council or Committee meetings. Informal Gatherings will also not be used to build consensus positions or otherwise discharging council's deliberative and decision-making functions.

Designated Informal Gatherings or Discussions are a particular type of Informal Gathering and may be used to:

- Discuss issues that involve strategy or policy or other matters of Council administration
- Brief Elected Members (or other Committee members) on issues relating to their functions and duties.

An Informal Gathering which does not involve discussion of a matter that is, or is intended to be part of the agenda for a formal meeting of the Council or Committee, is not a Designated Informal Gathering or Discussion.

Designated informal gatherings and discussions will be used solely for the purpose of information sharing and not for the purpose of determining, or effectively determining, matters which should be determined at a formally constituted meeting of the Council or Council committee.

Public Notification / Access and Confidentiality

Designated Informal Gatherings or Discussions

Designated Informal Gatherings or Discussions will be held at a place open to the public, except where the Designated Informal Gathering or Discussion has been declared by the Council or CEO to be a 'confidential informal discussion'.

The Council or CEO may, on a case-by-case, declare a Designated Informal Gathering or discussion to be a 'confidential informal discussion' where the Designated Informal Gathering or Discussion is either a:

- Planning session of a general or strategic nature; or
- Briefing session relating to information or a matter of a confidential nature within the ambit of section 90(3) of the Act.

If a Designated Informal Gathering or Discussion has been declared to be a 'confidential informal discussion', then the designated informal gathering or discussion may be attended by Elected Members, the CEO, relevant staff and any other person invited to attend by the Council or the CEO.

If a 'confidential informal discussion' declaration has been made in respect of only some of the matters to be discussed at a Designated Informal Gathering or Discussion, then these confidential matters will be scheduled to be discussed at the end of the agenda for the Designated Informal Gathering or Discussion. The Designated Informal Gathering or Discussion will be open to the public until immediately prior to the discussion on confidential matters commencing.

Other Informal Gatherings

Informal Gatherings which are not a Designated Informal Gathering or Discussion are not open for attendance by the public, unless otherwise determined by Council or the CEO. Public notification of and access to these Informal Gatherings will only occur where Council or the CEO have determined that the public have a right to attend.

The discussion and documents from Informal Gatherings which are not a Designated Informal Gathering or Discussion will remain confidential in nature unless the Council or CEO has determined otherwise, or the information has been released as part of a relevant Council or Committee report. Taking this into account, the confidentiality provision under section 90 of the Act have no application in relation to these type of Informal Gatherings, however documents will be subject to the *Freedom of Information Act 1991*.

Informal Gathering Attendance

Informal Gatherings (either with or without Council employees) are, by their nature, non-compulsory for Elected Members. All Elected Members are encouraged to attend these sessions, particularly those designed to provide history, context or additional information to assist Elected Members in carrying out their functions. An attendance record for Informal Gatherings will be kept for Elected Members and staff.

Agendas, Procedures at Meetings and Minute Taking

As Informal Gatherings (including Designated Informal Gathering or Discussion) are not a duly constituted meeting of Council or a Council Committee and no decisions are made, they do not involve the same formal notice of meeting, agenda, report or minute taking process in accordance with the Act.

Agendas

For all Designated Informal Gatherings or Discussions, notification of these planned sessions will be published on Council's website:

- The place, date and time at which the Designated Informal Gathering or Discussion will be held
- The topic that is planned to be discussed at the Designated Informal Gathering or Discussion
- Whether or not the Designated Informal Gathering or Discussion is open to the public or whether a 'confidential informal discussion' declaration applies. Where a 'confidential informal discussion' declaration applies, the reason for the Designated Informal Gathering or Discussion being held entirely or partially in confidence.

Where possible, notification of planned Designated Informal Gatherings or Discussions will be provided within the same timeframes as a notice of Council or Committee meeting under the Act.

Agendas for Informal Gatherings which are not a Designated Informal Gathering or Discussion will remain confidential in nature unless the Council or CEO has determined otherwise, or the information has been released as part of a relevant Council or a Council Committee report.

Procedures at Meetings

Designated Informal Gatherings or Discussions will be chaired informally by the CEO or person nominated by the CEO. Informal Gatherings and Designated Informal Gatherings or Discussions are not subject to the procedural meeting requirements of the Act and *Local Government (Proceedings at Meetings) Regulations 2013*. Both the CEO and the Elected Members are responsible for ensuring that the purpose, intent and outcomes of the Designated Informal Gatherings or discussions are conducted in accordance with the Act and relevant regulations.

Information / documentation may be provided to Elected Members to accompany the discussion. Such documents are considered internal working documents of Council and are not for public distribution unless the Council or CEO has determined otherwise, or the information has been released as part of a relevant Council or a Committee report.

Minutes

Formal minutes will not be recorded for either a Designated Informal Gathering or Discussion or other types of Informal Gatherings.

Policy implementation

This Policy will be implemented by the Chief Executive Officer or relevant portfolio director and managed in accordance with Council's scheme of delegations.
