PURPOSE
The City of Tea Tree Gully is committed to upholding the principles of transparency and accountability in our administrative and management practices and we encourage the making of Disclosures that reveal public interest information.

The purpose of this Policy is to ensure that we:

• properly fulfil our responsibilities under the Public Interest Disclosure Act 2018
• encourage and facilitate Disclosures of public interest information in accordance with the objects and requirements of the Public Interest Disclosures (PID) Act 2018
• ensure there is appropriate oversight of public interest Disclosures about corruption, misconduct and maladministration in public administration
• provide appropriate protection for those who make Disclosures in accordance with the Act
• acknowledge the need to appropriately support Informants, the Responsible Officer and, as appropriate, those Public Officers affected by any appropriate Disclosure.

This Policy applies to appropriate Disclosures of public interest information that are made in accordance with the PID Act by Public Officers including Council members, officers, contractors and employees, and by members of the public, and is intended to complement the reporting framework under the ICAC Act.

POLICY
We are committed to:

• referring, as necessary, appropriate Disclosures to another Relevant Authority
• where the Disclosure relates to Corruption, or serious or systemic Misconduct or Maladministration in public administration, reporting the Disclosure directly to the Office of Public Integrity (OPI) in accordance with the requirements of the Independent Commissioner Against Corruption (ICAC) Act and the ICAC Directions and Guidelines
• otherwise facilitating the investigation of appropriate Disclosures in a manner that promotes fair and objective treatment of those involved
• rectifying any substantiated wrongdoing to the extent practicable in all the circumstances.

Confidentiality of an Informant’s Identity
The identity of an Informant will be maintained as confidential in accordance with the PID Act.

A recipient of an appropriate Disclosure may only divulge the identity of an Informant where:

• the recipient believes on reasonable grounds that it is necessary to divulge the identity of the Informant in order to prevent or minimise an imminent risk of serious physical injury or death to any person, and the identity of the Informant is then divulged to a person or authority that the recipient believes on reasonable grounds is the most appropriate authority or person to be able to take action to prevent or minimise the imminent risk of serious physical injury or death to any person
• the recipient has been issued with a notice from the OPI advising that the identity of the Informant is required by the OPI, in which case the recipient must disclose the identity of the Informant to the OPI
• doing so is necessary for the matter to be properly investigated (but only to the extent necessary to ensure proper investigation); or
• the Informant consents to his/her identity being disclosed.

The PID Act does not expressly require any other information relating to a Disclosure (including, for example, the nature of the allegations) to be maintained as confidential, but in considering whether to further disclose other information provided as part of an appropriate Disclosure the Council should be mindful of the prohibition against victimisation in the PID Act.

An Informant may wish to remain anonymous, but in that event must ensure that the allegation is sufficiently supported by the provision of necessary details and evidence to enable the matter to be properly investigated.

Disclosure process
Disclosures will be handled in accordance with the Public Interest Disclosure Procedure.

Nothing in this Policy prevents a person from making a disclosure to an external Relevant Authority (i.e. the Ombudsman or the OPI). This is a choice to be made by the Informant at his/her discretion. We recommend an Informant have regard to the factors at Clause 6.2 of the Public Interest Disclosure Procedure when deciding where to direct a Disclosure.

A Disclosure may be made to one of our designated Responsible Officers in person, by telephone or in writing. The relevant contact details are:

Role of the Responsible Officer
A person designated as a Responsible Officer for the Council must:
• receive appropriate Disclosures relating to the Council and ensure compliance with the PID Act, and the Public Interest Disclosure Procedure, in relation to any such Disclosures
• make appropriate recommendations to the Principal Officer of the Council in relation to dealing with Disclosures, including any suggested changes to this Policy or the Public Interest Disclosure Procedure
• provide advice to officers and employees of the Council in relation to the administration of the PID Act
• complete any training courses approved by the Commissioner for the purposes of the Public Interest Disclosure Regulations
• deal with Disclosures in accordance with the Public Interest Disclosure Procedure.
Responsible Officers may also carry out any other functions relating to the PID Act.

In making any determination or taking any action under this Policy or pursuant to the Public Interest Disclosure Procedure, the Responsible Officer:

- may seek legal advice from our lawyers and/or guidance from SAPOL or the Ombudsman in relation to the most appropriate course of action to pursue
- is authorised to incur costs in accordance with budgets for that purpose.

The Responsible Officer will liaise as required with the Informant and any Independent Assessor in relation to any investigation process undertaken (in accordance with the Public Interest Disclosure Procedure), and will ensure that the Informant is provided with support and protection as necessary and appropriate in the circumstances of the Disclosure.

**Information to Elected Members**

As a matter of discretion, the CEO may inform the elected members, on a confidential basis, of the fact that an investigation of a Disclosure took place and the outcome of the investigation.

Factors the CEO will take into account in determining whether to inform the elected members and the level of detail provided in doing so are to include:

- if known, the identity of the Informant, and whether the Informant has consented to his/her identity being divulged
- if applicable, the identity of any person the subject of the Disclosure
- the impact (if any) of the investigation upon the Council’s achievement of its objectives under its Strategic Plan and/or policies; and
- the operational/budgetary impact of any action taken to finalise the matter.

In the event the Disclosure and/or any subsequent investigation process is confined to issues that impact only upon our employees and human resource processes, the CEO will not inform the elected members of the fact of the Disclosure and/or investigation (since these matters fall outside the roles and responsibilities of elected members under the *Local Government Act 1999*), unless there is likely to be a significant impact on the City of Tea Tree Gully’s reputation.

**Protection for the Informant**

In accordance with the PID Act, an Informant who makes an appropriate Disclosure is protected by:

- immunity from criminal or civil liability in relation to that Disclosure
- a prohibition on Disclosure of his/her identity
- a prohibition against Victimisation
- a prohibition against hindering, obstructing or preventing an Informant from making an appropriate disclosure.

The PID Act does not provide any protection to people who knowingly make Disclosures that are false or misleading in a material particular (whether by reason of the inclusion or omission of a particular). A person who knowingly makes a Disclosure that is false or misleading in a material particular is guilty of an offence and may be prosecuted.
A person who personally commits an act of Victimisation against an Informant is guilty of an offence and may be prosecuted.

We may take action as appropriate in the circumstances of the relevant Disclosure/s to protect Informants from Victimisation. Such action may include acting in accordance with the risk minimisation steps set out in the Public Interest Disclosure Procedure and/or referring the matter to the SA Police. Any Council member, employee or officer of the Council who:

- knowingly makes a Disclosure that is false or misleading in a material particular; or
- commits an act of Victimisation in relation to an Informant; or
- acts otherwise than in accordance with this Policy or the Public Interest Disclosure Procedure (including with respect to divulging the identity of an Informant) in relation to a Disclosure

may also face disciplinary action by the Council or the Chief Executive Officer (as appropriate).
