7.4. In all minor rounds and semi-final matches the clock shall not stop for injury, illness or court disturbance (e.g. fluid or dirt) except in the last two minutes (when scores are 15 or less points different). No time outs are permitted in the last two minutes.

7.5. In preliminary and grand finals throughout the game the time clock shall stop for all time outs, including official’s time-outs for injury and team foul violations which result in two free throws being awarded. Full championship conditions shall apply in the last two minutes (also refer to COP 14).

7.6. During all finals matches each team is required to provide a scorer (also refer to COP 11 and COP 12).
7.7. Unless the Centre Management consents to an alteration, matches shall be played on the dates and at the times listed in the match program. The clock in the stadium will determine the starting time.

7.8. Referees shall have control of the clock unless otherwise directed or stated by the referee.

7.9. Only two time-outs per team are permitted in each half. During extra periods, one time-out per team is applicable. No time-outs in the last two minutes of minor rounds and semi-finals.

8. **Injury time, bleeding (blood policy)**

8.1. The clock shall not stop, except for an official’s time-out or team time-out in the last two minutes of the match (when scores are 15 or less points difference).

8.2. When bleeding occurs **play must stop immediately**. The player concerned must leave the court until the bleeding has stopped and the wound is securely covered. The player may not return to the court until the bleeding has stopped and any contaminated clothing has been changed (replacement clothing may be of any colour/style). The player may then be substituted back onto the court.

8.3. The cleaning of equipment and surfaces which have been contaminated by a player’s blood are the responsibility of the player and/or their team (gloves etc. are available from Reception).

8.4. All cases of stoppage in play will be controlled by the referee.

9. **Abandoned games**

In unforeseen circumstances, Centre Management reserves the right to abandon a game (e.g. power failure, poor weather conditions, equipment failure, court damage).

9.1. Where less than half of the game has been played (including no play at all) –

9.1.1. Both teams will be awarded 20 points and 1 premiership point each

9.1.2. Teams must submit a score sheet. All players whose names appear on the score sheet will be credited with having played one game. The score sheet must be handed to Reception within seven days

9.3. In the event that a semi-final, preliminary final or grand final is abandoned, the higher ranked team will progress and/or be deemed the winner of the match (e.g. 1v2 match = 1 will progress).

10. **Late arrivals**

10.1. When a team has four players the match must start at the scheduled starting time and will proceed as a normal game. No point penalty is applicable providing the game commenced with four players at the scheduled starting time. A penalty of one point per minute or part thereof applies if the defaulting team does not have four players.

10.2. If the team has less than four players and no scorer after a period of 10 minutes from the scheduled starting time, an un-notified forfeit shall be declared (also refer COP 13).

10.3. A player who arrives at any time during the match may have their name added to the score sheet and be entitled to play.
10.4. For junior and daytime women’s basketball matches only the minimum match fee, equal to five players applies when a match is played by only four players. Condition of Play 12.10 applies.

Teams are encouraged to play five players in major rounds, however four players are permitted in finals if teams cannot field a full team (COP 12.10 applies).

11. Scorers

11.1. Each team shall provide a score sheet and competent scorer for the start of each match. They are responsible for correctly filling out the score sheet including recording all points, fouls and operating the time clock/score board.

11.2. Penalty for not providing a scorer before the commencement of the match shall be 6 points awarded to the opposition team. The match referee must verbally offer the opposing team the 6 points before the commencement of the game. Once the six points have been awarded or declined, they cannot be revoked, even if a scorer becomes available. If neither team has a scorer, a player from each team must leave the court to act as scorer for the respective teams.

11.3. The opposition team scorer can agree to score for both teams, upon which no penalty points will be awarded. In this instance, the score recorded is undisputable by the opposition team.

11.4. For daytime women’s basketball only, the penalty for not providing a scorer shall be two points awarded to the opposition. Once the two points have been awarded they cannot be revoked even if a scorer becomes available.

11.5. Scorers and timekeepers shall sit together at all times.

11.6. If neither team has a scorer, a player from each team must leave the court to act as a scorer for the respective teams (both teams must still provide a completed score sheet).

11.7. Teams must provide a scorer for all finals rounds.

12. Score sheets

12.1. The team captain is required to ensure that only the names of players present and ready to play in the match are written on the official score sheet.

The captain of each team shall be responsible for handling his/her team’s score sheet and players match fee (junior matches) to the Centre Receptionist after each match.

12.2. Both the player’s Christian name and surname must be recorded on the score sheet. Incomplete or illegible names on score sheets may result in the player not being credited with playing that match.

12.3. Late arrival players who are ready to play will have their names included on the official match score sheet by the scorer. Late arrivals are required to be checked for correct uniform by the referee prior to play.

12.4. All players whose name appears on the score sheet must pay a match fee (if applicable).

12.5. The penalty for incorrect or incomplete player details is an illegal player penalty (also refer to COP 15).

12.6. Once signed by the referee, score sheets cannot be altered.

12.7. In the event that a score discrepancy occurs in a match, the home team’s (the first team named on the program) score sheet shall be deemed as the official score sheet.

12.8. For senior games, the captain of each team shall be responsible for handing his/her team game receipt to one of the match referees before the start of the game. Referees must be in possession of both receipts before the game will commence. The time clock shall be started on the scheduled starting time of the match, as determined by the stadium clock.
12.9. For junior and daytime games, the team captain of each team shall be responsible for handing the match fee satchel and score sheet to the Centre Receptionist after each match.

12.10. For junior and daytime games, match fees for a match played with only four players must equate to the match fee which would have been submitted had they played five players (this equals the minimum match fee payable).

13. Forfeits

Any team forfeiting more than three times in a season may, at the Centre Management’s discretion, be suspended from the competition.

All fines are payable within 10 days. Any team neglecting to pay a fine within the stipulated time will have their premiership points withheld until the fine is paid. 13.1. Notified and un-notified forfeit conditions:

- Forfeit notifications will be accepted from the team contact only
- The team contact may notify the Centre of a forfeit by phone (main reception phone number) or in person only. Voicemail messages are not accepted as a form of notification
- Any team which may find it necessary to forfeit shall notify the Centre’s Receptionist by 5pm the day prior to the scheduled match. Forfeit notifications by 5pm the day prior to the scheduled match shall be classified as a notified forfeit and will attract a lower forfeit fine
- Games forfeited outside the criteria are considered an un-notified forfeit and an increased forfeit fine is payable
- Forfeit fines are payable within 10 working days of incurring the fine, unless a payment plan is negotiated with Centre Management prior to the 10 working day deadline (also refer COP 10 and COP 16)
- The non-forfeiting team will be awarded a score of 20 points to nil and two premiership points
- In the case of a notified forfeit, the non-forfeiting team may lodge a score sheet within seven days of the time of the forfeited match in which case all players whose names appear on the score sheet will be credited with having played one match. Failure to do so will result in players not being credited with the game.

13.2. If a team does not have four players on court ready to commence play and a scorer within 10 minutes of the scheduled starting time, the match shall be declared an un-notified forfeit and COP 10.2 will apply. Advertised forfeit fine to be paid within 10 working days.

13.3. If both teams do not have four players and a scorer within 10 minutes of the scheduled starting time, the match shall be declared an un-notified double forfeit. Both teams to pay the advertised forfeit fine within 10 working days.

13.4. In the case of an un-notified forfeit, both teams may mutually agree to play a scratch match. Whether a scratch match is played or not, the non-forfeiting team will be awarded a score of 20 points to nil and 2 premiership points.

If a scratch match is played, normal match fees will apply to both teams, not an un-notified forfeit fee. If a scratch match is not played, the forfeiting team will be required to pay an un-notified forfeit fee.

13.5. Any team which forfeits more than twice in a season or fields only four players more than three times in a season may, at Management’s discretion, be withdrawn from the competition.
13.6. Any ladies daytime or junior team forfeiting mid match will be required to pay an un-notified forfeiture fee.

13.7. If the game is called off due to misconduct the forfeit fee applies as in COP 13.1.

13.8. Where a match is in progress and one team does not have two players ready to recommence play, after a period of five minutes, the match shall be declared a forfeit. If less than one half of the game has been played the forfeiting team will be required to pay the normal match fee. If the game is called off due to misconduct the forfeit fee applies as in COP 13.1.

The non-forfeiting team will be awarded two premiership points and is not required to pay a match fee. Both teams will be awarded the goals actually scored up to the time of the forfeit. This also applies to games called off for misconduct.

If one half or more of the match has been played, both teams are required to pay normal match fees (the match result will be recorded as in COP 9.2).

14. Drawn games

14.1. In minor round matches, a drawn game shall be considered a legal result.

14.2. During semi-finals, the clock shall operate as per minor rounds.

14.4.3. In the event of a draw at the expiration of playing time the teams shall, after a rest of one minute, continue toward the same end with an overtime of three minutes during which time, full championship conditions shall be played. If it is still a draw, teams will immediately change ends and recommence play for a further three minutes. The three minute extra periods shall be continued until a result is achieved.

14.4.4. During each extra period of play, teams are permitted one time out and team fouls continue from the end of the second half.

15. Illegal players

15.1. Illegal players will be defined as the following:

- Not registered on the date of their third match
- Failing to pay the appropriate admission/team fee
- Non-observation of transfer regulations
- Playing for more than one team within the same program
- Non-qualification for finals matches
- Playing whilst under suspension
- Playing under an assumed name
- Playing an over-age player (junior competitions only, exemption by Management permission). Centre Management reserves the right to ask players for identification
- Incomplete player details recorded on score sheet.
15.2. The penalty for playing illegal players is an automatic loss of that match or matches in which the offence occurred. The team fielding the illegal player will have their score reverted to 0. The opposition team score stands. In major round matches the penalty is automatic withdrawal from finals.

15.3. A player playing under an assumed name or a coach playing a player under an assumed name will be reported for misconduct. The team shall lose all premiership points gained up until the time the offence was discovered.

15.4. If a complaint is lodged regarding a person playing under an assumed name or playing out of the correct age group, proof of age/identification shall be required.

16. Fines and fees

16.1. Any team neglecting to pay a fine or fees within the stipulated time will have their premiership points withheld until all fines/fees are paid.

Teams have a choice when withdrawing from a competition:

- Play two matches and then incur no additional withdrawal fees following these two matches or
- Pay two notified forfeit fine fees and be removed from the competition immediately.

Should your team be contemplating withdrawing from the competition, please contact the Sport & Recreation Development Officer at the respective centre to discuss the situation.

18. Referees

18.1. The referees shall have control of the game and make decisions in accordance with the Official Rules authorised by Basketball Australia and the Centre’s Conditions of Play.

Officials participating in the Coloured Shirt Program (indicated by wearing a green shirt) are not to be questioned or spoken to by any coach, player or spectator.

20. Team penalties

20.1. When a game is abandoned due to the conduct of a team and the non-offending team is ahead, the score at the time of stoppage shall stand. If the non-offending team is behind, the game will be awarded in their favour and the score will be recorded as 2 – 0.

20.2. Referees have the authority to forfeit a game if teams do not assist referees to control their members. Referees must identify the offending team and COP 7.2 will apply. If both teams are offending then both will be required to pay the un-notified forfeit fee.

20.3. A team whose players, whether they be individual player, different players on each occasion or the team as a whole, continually breach conduct rules (as covered earlier in

COP 16.1) and the Code of Conduct may, at the discretion of Management be withdrawn from the competition.

21. Clearances

21.1. A player must obtain a clearance, in writing, from the team contact of the team he or she last played for before transferring to any team within the same competition. The clearance must be lodged at Reception and agreed to by the Centre before the player commences playing in his/her new team. Clearances between seasons are not required. A clearance is only required once a player has played three matches in one team, from this point they may not play in another team in the same grade during the minor or major round matches. Centre Management will hear disputes on clearance upon request.

21.2. A player is entitled to only one clearance per season.

21.3. A player will not be granted a clearance whilst un-financial to the team or while under suspension by a tribunal recognised by the Centre. Clearances may also be refused if the team he/she last played for is adversely affected, i.e. playing strength or team numbers. A player who transfers from one team to another must not have any fees or fines outstanding to the Centre.

21.4. A transfer of player does not imply a transfer of registration. When transferring from one team to another, players are required to register for their new team and pay the required registration fees.

22. Misconduct and penalties

This does not include byes, forfeits, non-game weeks or season breaks. Players will be advised in writing of their re-commencement date.
In an extreme case, a referee may send off a player without warning (e.g. any player striking, kicking, breaching the Code of Conduct or playing in a violent or dangerous manner).

22.6. To identify a player sent off for the remainder of the game an asterisk (*) shall be placed by the player’s name on the score sheet by the referee prior to the sheet being handed in to Reception. The referee must also complete an asterisk form explaining the details of the offence(s). The team contact or player shall be notified in writing.

22.7. When a referee feels the incident for which the player has been disqualified requires a penalty other than a one-week suspension, the referee must submit a full written report of the incident to Centre Management. In this case the Centre Management may take action in accordance with COP 24 and the Code of Conduct.

22.8. Once a disqualifying foul has been called the offending player must leave the vicinity of the court through the doors and has 60 seconds to comply.

Members who appeal suspension periods are ineligible to participate in any activities at the City of Tea Tree Gully’s Recreation Centres until an outcome of the appeal has been reached.

24.7. Should a player/spectator’s details not be on file at the Recreation Centre, the team contact will receive notification of a person’s suspension and/or outcome of the investigation, and it is the responsibility of the team contact to notify the person of the suspension and/or outcome of the investigation.
