

Palomino Reserve Playspace Upgrade

Updated Concept Plan following Community Engagement – June 2023

CONCEPT PLAN LEGEND

1. Relocated playspace incorporating basket swing, jumping pads, sensory board, barrel tunnels, spinning spheres and slide structure with cargo net, toddler steps and potential 'shop front' structure.
2. New bench seat
3. Feature garden beds with sensory planting and run of grape vines
4. Adventure path (accessible) incorporating flush timber stepping planks
5. New picnic area with shelter, picnic setting, bin and drinking fountain
6. Concrete path with vine leaf imprints through playspace
7. Compacted rubble path with new shade trees
8. Remediated irrigated lawn area
9. New feature trees to provide shade amenity and screening
10. Existing trees to be retained and protected
