Let's Talk EM February - RAT Collection Points

25th January 2022

The first Local Government Functional Support Group 'Let's Talk EM' Webinar of 2022 will be held on Friday the 4th of February from 1:00pm - 1:40pm.

The monthly webinars will ensure the LGFSG's lines of communication with the sector remain open, and those working in emergency management remain skilled and well-prepared for future challenges and provide an opportunity for the LGFSG to update the sector on its work program and the actions being taken to support councils including learnings, experiences, trends and emerging technologies. Attendees will also hear from a guest presenter – who will shine a spotlight on a different topic each month.

This months webinar will explore the topic of **Rapid Antigen Collection Points** with Theresa Hines - Manager Strategy, People and Culture at Port Augusta City Council.

[Register here](#) for the February webinar – we look forward to seeing you there.
