LG Reform – LGA’s Submission on Round 2 Regulations

**6th December 2021**

The LGA has made a submission to the Minister on the local government reform draft round 2 regulations based on feedback obtained from members.

The Office of Local Government (OLG) sought comments from the LGA on a number of draft regulations (the Round 2 Regulations) which will support the commencement of the second round of reform changes to the *Local Government Act 1999*.

The LGA sought feedback from member councils on the proposed Round 2 Regulations with the consultation period ending on 24 November 2021. More information on the Round 2 Regulations and access to the LGA’s summary paper [can be found here](#).

The LGA’s submission supported the majority of the proposed Regulations on the basis that they reflect negotiated positions reached during the progression of the *Statutes Amendment (Local Government Review) Act 2021*. However, following consultation with members, the LGA suggested a small number of amendments. The LGA will continue to work with OLG to clarify requirements and will provide additional support to councils through development of guidance and information papers.
