1. Introduction

A Community Land Management Plan (CLMP) is a document that is prepared in consultation with the community within a Council area. CLMPs provide the framework and direction for the use of community land that is identified in a specific plan as well as the restrictions and limitations.

An 'Activity Category' is attached to each site and this identifies the intended activity or dominant activity on the land. The activity categories guide how the land is managed and the types of facilities and infrastructure that may be on the land. Activity categories are described in [Appendix 2](#).

Community land is categorised using the same open space classifications that are in Council's Open Space Policy and describe the function and purpose of open space.

There are six (6) types of CLMPs:

- Sporting and Community
- Major Park
- Minor Parks
- Natural Areas
- Cultural and Heritage Areas
- Tree Screens

A register of CLMPs is available on Council's website [here](#).

2. Definition of Community Land

Under the *Local Government Act 1999*, Local Government land is defined as land owned by a council or under a council's care, control and management. 'Land' defined by the *Local Government Act 1999* (Section 4(1) – Interpretation) includes any building, structure or improvement on the land including land covered by water.

All local government land (except roads) is classified as community land unless excluded by a formal resolution of Council, eg at the time of acquisition. Council may revoke the community land classification by a Council resolution with the revocation requiring the approval of the relevant Minister.

3. Requirement for a Community Land Management Plan

The *Local Government Act 1999* requires Council to have a CLMP for the land to which this document relates. because:

- the land has, or is to be, specifically modified for the benefit or enjoyment of the community and
- some of the land listed in this CLMP has been, is, or is to be, occupied under a lease or licence.

4.1 General description of the land

Burrakah Recreation Area consists of twenty-four land parcels that collectively make up the site. The site is predominantly used for active and passive recreation and includes an oval area with lighting, amenities building, recreation centre. The site hosts a range of sports programs for children as well as active programs for adults. It has a District level catchment and the potential to benefit or draw people from within a 2-5 kilometre catchment.

¹ See Council's Open Space Policy

² See Council's Open Space Policy

³ See Appendix 2- Category Description

4.2 Purpose for which the land is held

Section 7 of the *Local Government Act 1999* requires Council to provide services and facilities that benefit its area, its ratepayers, residents and visitors to its area, including (but not limited to) recreational facilities.

Burragah Recreation Area site is currently held to provide opportunities for community participation in soccer (football) and other various indoor activities such as basketball and karate.

4.3 Permits, Licences, Leases and Casual Hire

Council may grant a lease or licence for the whole or any part of the land.
The Council currently grants land-use seasonal permits for the use of:

- (1) Burragah Reserve (including access to amenities building and floodlights where required) to:
 - (a) Modbury Soccer Club
 - (b) Modbury Wednesday Soccer
 - (c) Nepali Pathsala Football Club
- (2) Burragah Recreation Centre to:
 - (a) Regular hirers for basketball, karate, badminton, soccer, chess, fitness and other user groups
 - (b) Various casual hirers

The casual hire of the Burragah Recreation Centre and the Reserve may be arranged by contacting the Centre on 8397 7433.

A lease agreement is in place for the following organisation:

Name of lessee or licensee	Term of the lease or licence	Actual land to which the lease or licence relates	Purpose for which the lease or licence has been granted
Department of Education and Child Development – Modbury North Kindergarten	Ten years – expiring 30 June 2027	12 Burragah Crescent, Modbury North Lot 153, DP33375 Certificate of Title 5161/879	Modbury North Kindergarten

4.4 Objectives for the land

Council's key objectives for the management of Burragah Recreation Area are to provide:

- safe open space areas and facilities that encourage participation in sporting, community and recreation activities

- infrastructure to support sporting, community and recreation activities

and for these facilities to be utilised to their maximum potential, which may include shared use by the community and clubs.

The infrastructure for Burragah Recreation Area is set out in Item 5 – Performance Targets and Measures.

The granting of a lease, licence or permit formalises the use of community land and/or facilities and the land will be managed in accordance with the relevant lease, licence or permit.

4.5 Relevant Council Policies

The management and development of Burragah Recreation Area must have regard to Council's policies and procedures (as published from time to time), that are relevant to the land, including (listed in alphabetical order and not in order of priority or importance):

- Asset Management Policy
- Boundary Fence Management Policy
- Cat Management Policy
- Community Engagement Public Consultation Policy
- Disposal of Land and Assets and Acquisition of Land Policy
- Drone Policy
- Easements Management Policy
- Emergency Management Policy
- General Complaints Policy
- Leases and Licenses to Sporting and Community Organisations Policy
- Liquor Licence Application Management Policy
- Open Space Policy
- Pest Plant and Animal Control Policy
- Public Art Policy
- Public Fundraising Policy
- Public Lighting Policy
- Public Toilets Policy
- Recycled Water Management Policy
- Sponsorship Policy
- Sports Field Floodlighting Policy
- Risk Management Policy
- Tree Management Policy
- Unsolicited Proposals Policy

4.6 Public Consultation

Council may only adopt or amend a Community Land Management Plan after following the steps set out in its public consultation policy.

Council acknowledges that it has complied with the requirements of Sections 50 and 197 of the *Local Government Act 1999* which sets out the requirements for councils to prepare and adopt public consultation policies and the relationship with CLMPs.

4.7 Legislative Requirements

This CLMP has considered the relevant state government and City of Tea Tree Gully plans, policies and legislation about the conservation, development and use of the land that falls within this CLMP. Where relevant these will be considered when contemplating management and future development of the Burrakah Recreation Area.

4.8 Performance Appraisal

Council will measure its management of the land in the following ways (in no particular order of priority):

- Council undertakes community consultation in relation to the purpose and use of the land and for any proposed significant changes to this Plan, in accordance with its Community Engagement (Public Consultation) Policy.
- The community has the opportunity to interact directly with Council via Council's website to request maintenance on this reserve. The request can be monitored by the community member.
- Scheduled maintenance and inspections will be aligned with Council Maintenance Service Levels.
- Asset management models are used to assist with planning for the maintenance and replacement life of all assets.

4.9 Development

As required by the *Local Government Act 1999*, the community will be engaged where there is likely to be a significant impact on the interests of the community or where a proposal may be inconsistent with this CLMP.

Subject to compliance with the requirements of all relevant legislation the Council may seek to sell, dispose of or alienate this land from community use in line with the provisions of the *Local Government Act 1999*.

The Council may approve the erection of buildings, structures or other improvements to enhance or provide benefit to the community.

Council renews and upgrades assets with consideration for the needs of existing and future communities and incorporates universal design where possible.

Future proposed development will be subject to budget considerations.
