That pursuant to Section 90(2) of the Local Government Act, 1999 the CEO orders that the public (except staff on duty and Scentre Group staff) be excluded from the Elected Member workshop to enable discussion on the Tea Tree Plaza Westfield Parking.

That the CEO is satisfied that pursuant to section 90(3) d (i) and d (ii) of the Act, the information be received, discussed or considered in relation to this item is:

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; AND the disclosure of which would, on balance, be contrary to the public interest.*
 - on the basis that that the public release of this information would have the potential to impact the capacity for Council to negotiate the best value for Council.*

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in the public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information. The CEO is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances on the basis that that the public release of this information would compromise Council's ability to obtain the best outcome for Council and the community.
